## REPORT

The students of Naipunnya Institute of Management and Information Technology participated the Women Business Summit and Expo on March 1, 2024. The event was organized by She Space in collaboration with the IEDC Christ College of Engineering and KSUM as an ecosystem partner. The aim of the summit was to celebrate and promote female entrepreneurship, providing a platform for sharing insights and experiences among the accomplished women in business. It featured a series of engaging activities, including panel discussions, keynote speeches, and networking sessions. The focal point of the event was the panel discussion where distinguished female entrepreneurs shared their expertise, challenges, and success stories with the audience.
