REPORT

Naipunnya Prayer Warriors is a very active prayer group that brings people together. The main objective of this group is to sensitize the community to various issues faced by physically and mentally challenged people in society as well as their families. It also aims to create awareness among teachers and students about their social responsibilities and develop social commitment among them.

Naipunnya prayer warriors organized a youth convention, IGNITE 2K24, on January 28, led by Rev. Fr. Binoj Mulavarakal and his team. It was to mould our young generation to be rooted in Christ. Mr. Joseph Annankutty Jose recounted his spiritual experience with God to the gathering. Interactive sessions with international youth through a virtual platform were arranged for this convention. Despite varying attendance rates across sessions, the overall engagement and enthusiasm of participants remained high, reflecting the success of the program in achieving its objectives of promoting the spiritual development of students and faculty members. Following is a detailed overview of each session:
