## Report of Friday Market – 2nd year B.com Cooperation (An initiative under Earn While You Learn)

**Objective:** To give exposure to students with regard to real business experience through actual earnings.

### Introduction

Students of semester II, B.com Cooperation coordinated the Friday market on 4 August, 2023. The class brought different types of homemade food items like, *uniyappam*, *pazham pori*, *sar bath*, cupcake, maggie mix, *ullivada*, and *pathri*.

Everything was arranged in an organized manner and made ready for sale under the guidance of Mr. Joseph James. During the break time, there was a huge rush of students and teachers to the stalls to purchase the products. As the preparation was very hygienic, there was an urge in the minds of students to purchase and consume the products. The prices were affordable but at the same time profitable to the organizers.

It was highly encouraging to see that many of the faculty purchased from our stores. Finally, we closed the market after finishing all the sales. We made a good profit out of it. The students who were part of the program were given their share of profit for the products. The day proved fruitful as it provided much learning opportunities for the students.

Total Commission earned through the sales.

**Commission: Rs. 438**

Amounts paid to student volunteers in the stall. (Commission)
