## REPORT

English communication skills play a pivotal role in bridging cultural divides and facilitating cross-cultural understanding in our interconnected world. The ability to effectively communicate in English not only enhances one's employability but also promotes career growth and advancement in various fields. In today's digital age, where information is readily accessible across borders, proficient English communication enables individuals to engage with diverse perspectives and contribute meaningfully to global conversations. Whether in academia, business negotiations, or social interactions, polished English communication skills are invaluable assets that empower individuals to connect, collaborate, and thrive in an increasingly interconnected society. Embracing the importance of English communication proficiency equips individuals with the tools needed to navigate the complexities of our multicultural world with confidence and clarity. Keeping this in mind, the students of II BA English organised a workshop for the students from St. Sebastian's Church, Panduparaas, a part of their outreach activity. Fr. Antony Jose, Asst. Professor, PG Department of English, Naipunnnya College was the resource person. It was held on 15/05/2024 at Naipunnnya College of Management and Information Technology, Pongam, from 10.00 a.m. -12.00 p.m. The sessions were based on activities for the improvement of LSRW skills. The students found the session interesting and informative. The students were taken on a campus tour afterwards.
