REPORT

An industrial visit to ATEES Infomedia Pvt. Ltd. in Thrissur and a study tour to Dandeli and Goa were organized by the Department of Computer Science from October 4th, 2023, to October 8th, 2023, for the students of final year BCA. The journey started at 7.30 a.m. and reached the destination at 9.00 a.m. A total of 51 students visited the campus, along with 3 faculty members (Mr. Fredy Varghese, Mr. Deepak KV and Ms. Shajitha T B). ATEES Infomedia Pvt. Ltd. is a software-based industrial training (AIT) company that offers computer courses in advanced technologies like Android, ASP.NET, Java, PHP, Python, ODOO, iOS, digital marketing, web and graphic design, etc. They combine specialized manufacturing services, engineering design, and software services under one roof to provide transformative turnkey solutions to customers. The industry visit provided the students with a chance to meet and interact with their professionals. The sessions organized at ATEES provided an opportunity for students and faculty members to learn about the latest technologies and trends in the IT industry.

After attending the session in ATEES Infomedia, our journey began with an exhilarating visit to Dandeli, a picturesque destination nestled in the Western Ghats, known for its lush greenery and thrilling adventure activities. During our stay, we engaged in a variety of activities, including river rafting, kayaking, zorbing, tent camping, campfires, and swimming. Following our adventurous journey in Dandeli, we travelled to the culturally rich destination of Goa. Our exploration in Goa included Old Goa churches, Aguada Fort, Chapora Fort, nightlife, and beaches. We returned on October 8, 2023, at 1:30 p.m. by train.
