Report on the College Union Election 2023-24

The college union election for the academic year 2023–24 was held on 1/11/2023 (Wednesday) at the College Auditorium under the supervision of the returning officer, Dr. Antony George, and with the guidance of the Election Committee, along with the support extended by staff members of the college. The whole election protocol and procedures were carried out as per the orders of the Syndicate of the University of Calicut (Letter no. 167276/DSW-ASST-2/2023/Admn dated 05/10/2023, viz., date of notification, publishing of the electoral roll, filing of nominations, list of valid nominations, printing of ballot papers, and publishing the final results). There were a total of 19 candidates contesting the college union election for 12 different posts, and of these, all the posts except the chairman, the vice chairperson, the joint secretary, and the first-year UG representative were elected unopposed. Polling for these posts was conducted from 9.30 a.m. to 12:30 p.m.

There were twelve counters with two polling officers at each counter, and the same number of polling booths were set up alongside the counters inside the auditorium. Twenty-four teachers were appointed as polling officers for the smooth conduct of the college union election. Separate ballot boxes were provided for putting the ballot papers after casting the votes for the General Post as well as for the first UG representative. The counting of votes was carried out at the same venue from 2:00 p.m. onward. The results were announced by the returning officer and published immediately after counting. A copy of the results was also forwarded to the college office to be sent to the Dean of Students Welfare, University of Calicut.

The college union election team acknowledges their sincere thanks and appreciation to the management, staff members, and students who supported wholeheartedly the smooth happening of the whole election process. The team also recommends having a better and more planned election in the coming years and hence puts forward a request to the college to prepare more facilities, such as booths, ballot boxes, and electronic devices, to facilitate the speedy completion of the task.
