Faculty In-charge: Ms. Rajani Stanley

Date of event: June 2023 to March 2024

REPORT

In the recent times, to engage students and prepare them for the real world, colleges and universities organize college fests and encourage students to participate and showcase their latent talents. These multiple cultural events, technical fests, celebrity performances, competitions, make students confident and job ready. College fests and activities provide opportunities to interact with their peers and form new connections. Candidates who take multi-tasks, take initiatives, effectively communicate and are enterprising and have better chances of getting hired.

While organizing any event, students stumble upon new people and build their network. Most of these activities are group-oriented by which students get to know people from different cultural backgrounds and interests. These healthy interactions not only enhance interpersonal and communication skills of students but also prepare them for the real world. The department has taken initiative in sending students for the various management fests conducted online and offline by different institutions inside and outside Kerala.

During the academic year 2023-24, almost 100 students participated in 22 inter college fests conducted in various colleges across the state. The participants had a great opportunity to grab fabulous prizes, appreciations and outstanding learning experience. Albeit each and every contestant showcased their skills in the best way, a few star performers like Britto Benny and Aishwarya brought accolades to our institution.
