REPORT

The Students of I Year B. Com A (2023 Admission) of Naipunnya Institute of Management and Information Technology (NIMIT) conducted an outreach activity to paint the Anganwadi on February 20, 2024. The objective of this activity was to engage students in a creative endeavor while beautifying the premises of the Anganwadi. The activity resulted in a significant transformation of the Anganwadi center, with the previously worn-out walls now appearing fresh and rejuvenated. The clean and bright surroundings create a more hygienic and visually appealing environment for the children, staff, and visitors. Such collaborative efforts not only enhance the physical appearance of the center but also promote community engagement and pride.
