## REPORT

Elders' Haven-PAKALVEEDU, a noble community project, was initiated by the compassionate students of Naipunnya Institute of Management and Information Technology. This endeavor is dedicated to extending care and support to elderly individuals residing at Ward 13 Vazhichal of Koratty Grama Panchayat. With loneliness emerging as a significant concern among senior citizens globally, this initiative strives to address the issue through the provision of essential day-care services to our respected elderly.

A significant milestone was achieved on August 14<sup>th</sup> with the students of III Semester BCA B. They played a pivotal role in organizing the programme. The occasion of the inauguration was made even more special by our commitment to the welfare of the community. To mark this auspicious beginning, we extended our genuine care by distributing 60 Karkidaka Kanji kits to senior citizens. These kits, thoughtfully designed, aim to promote the physical well-being of our esteemed elders. The Elders' Haven-PAKALVEEDU project holds promise to be a beacon of hope and care for our cherished senior citizens. By initiating this endeavor, we address their needs while fostering a sense of belonging and togetherness. Our gratitude extends to all those involved in making this event a success, and we eagerly anticipate the positive impact this project will have on the lives of our respected elders.
