## REPORT

In June, the training department introduced the Habit of the Month: Grow Limitless. This initiative was designed to inspire students to break free from their comfort zones, explore new opportunities, and strive to reach their full potential. As we embark on a new academic year filled with enthusiasm and commitment, the "Grow Limitless" initiative served as a powerful reminder that growth is a limitless journey. It set the tone for the year ahead, inspiring students to approach their studies and personal development with an open mind.

Throughout the month, students were encouraged to embrace new experiences and challenges, whether it involved learning a new skill, expanding their social circles, or tackling unfamiliar tasks. The success of this initiative was reflected in the students' eagerness to participate and challenge themselves in new ways. By embracing the habit of growing limitless, they took significant steps towards reaching new heights, both individually and collectively.
