### Report of Outreach Activity

English communication skills are crucial in today's globalized world, serving as a common language for international business, diplomacy, and academia. Proficiency in English opens doors to a wealth of information, resources, and opportunities on a global scale. Effective English communication facilitates collaboration and understanding among people from diverse cultural backgrounds, fostering inclusivity and cooperation. In many industries, such as technology and finance, English proficiency is often a prerequisite for career advancement and success. Moreover, mastering English Communication empowers individuals to express their ideas, thoughts, and perspectives with clarity and confidence, enhancing their personal and professional relationships.

Keeping this in mind, the students of II BCom Cooperation organised a workshop for the students from St. Sebastian's Church, Pandupara. Fr. Antony Jose, Asst.
