REPORT

The outreach project led by the fourth semester BBA students on February 28, 2024, at the Koratty police station was a commendable initiative. Starting with an impactful awareness session conducted by a police official, the event emphasized the significance of youth involvement in societal benefit through community service.

The cleanup of the police station grounds showcased the students' dedication and teamwork, driven by their goal to enhance community service and improve the local environment. Such activities are instrumental in fostering social responsibility among students while building strong community bonds. This outreach activity not only fostered a sense of social responsibility among the students but also strengthened their connection to the community.
