REPORT

The students of First year BSc IT (2024 Admission) of Naipunnnya Institute of Management and Information Technology (NIMIT) conducted an institutional visit to Maria Santhi Bhavan, Meloor as part of the outreach activity on 6th September 2024 focusing on spreading happiness and fostering connections with the elderly people. We arrived at the old age home in the morning. The staff welcomed us warmly and introduced us to the residents.

Our students organized a small entertainment session. Students had good conversation with the inmates, which enabled us to inculcate in them the values of empathy and compassion. Furthermore, we also made a donation of some stationery articles as a contribution to them. As a sweet finale to our visit, we cut a delicious cake and shared it with everyone, spreading joy and warmth among the residents and staff at the old age home. The visit to Maria Santhi Bhavan was a heartwarming and fulfilling experience for both our class and the residents. It was evident that our presence and activities brought joy and a sense of companionship to the elderly individuals. For every student, it was a very unique experience.
