REPORT

A Faculty Exchange Programme was conducted by the PG Department of English on 20/03/2024 wherein two faculty members from our college visited De Paul Institute of Science & Technology (DIST), Angamaly to conduct one hour-long sessions. In return, two faculty members from the partnering institution came to our college to deliver sessions to our students on the same day.

The exchange programme aimed to facilitate collaboration and knowledge-sharing between the two institutions. Our faculty members, Ms. Vandana Martin and Ms. Nina Ann Mathew conducted engaging sessions at the partner institution. Their sessions covered a range of topics, providing valuable insights to the students and faculty at the host college.

Simultaneously, faculty members from the partner college, Ms. Ritha Sabu and Ms. Anju V Nair visited our institution. They shared their expertise on various subjects, contributing to the academic enrichment of our students.

The exchange programme proved out to be very beneficial as it allowed for a mutual exchange of knowledge and expertise. It provided opportunities for profound conversations and engagements among faculty members, potentially paving the way for future joint endeavors.

This Academic Faculty Exchange Initiative has established a solid foundation for continued cooperation, and we eagerly look forward to upcoming initiatives that will continue to enrich the academic environment for both institutions.

DEPARTMENT OF LANGUAGES

LETTER OF ACCEPTANCE OF THE HOME INSTITUTION

Greetings from Naipunnya Institute of Management and Information Technology!

The PG Department of English is pleased to accept this proposal from School of English of De Paul Institute of Science & Technology (DIST), De Paul Nagar, Angamaly South, Angamaly to collaborate with you in FACULTY EXCHANGE PROGRAMMES for the academic year 2023-24 in adherence with the Memorandum of Understanding signed on 13 September 2023. We are thankful to you and the coordination committee for proposing this programme between our esteemed institutions.

With the rapidly changing landscape of higher education, programmes such as the one proposed are vital in enhancing skills and exposure to varied experiences for faculty and students alike. The Faculty Exchange Programme is going to be beneficial for both the students as well as the faculty members involved in the proposed exchange. It will present an opportunity for the students to appreciate and experience the diversity of teaching styles of the faculty of an institution different from theirs, while also broadening their knowledge in a subject relevant to them. This endeavour will also promote the cross-pollination of ideas and skill sets between the two institutions.

We accept the proposal sent by your institution and also propose the following sessions for the students of your institution.
