## **REPORT ON FUNDED PROJECT**

The PG Department of Computer Science recently organized a three-day training program for second-year BCA students at J R Solutions, Kadavantra P.O., Cochin. The group, comprising four students—Mr. Alant Saji, Mr. Joe Joseph, Mr. Alex S. Puthussery, and Mr. Rhythin Joseph—participated in an intensive training on computer hardware assembly, networking, and cybersecurity.

In addition to the training, the students applied their skills by undertaking computer hardware assembly work for the institution, earning a total of ₹12,000 for their efforts. This hands-on experience not only enhanced their technical proficiency but also provided them with practical insights into real-world applications.

## **PROJECT PROPOSAL**

### **Project Detail**

Project Name: Hardware Assembling

Duration: 3 days

Primary Investigator: Dr. Soni P M, Assistant Professor, Naipunnya Institute of Management and Information Technology, Pongam Thrissur Dist.

Team Members: Alant Saji, Rhythin Joseph, Joe Joseph, Alex S Puthussery (Second Year BCA)

### **Project Sponsor**

☐ Organization: J R Systems and Solutions, Kadavantra P O, Cochin

### **Project Description**

A team of four second-year BCA students participated in a three-day training program at J R Solutions, Kadavantra. During the training, they gained valuable knowledge in computer hardware assembly, networking, cybersecurity, and various other technologies in Computer Science. Additionally, they completed hardware assembly work for the institution, earning a total amount of ₹12,000 for their efforts.

**Subject: Proposal for Collaborative Funded Project in Computer Hardware  
Assembling and Networking**

Dear Sir,

We are writing on behalf of the PG Department of Computer Science at Naipunnnya Institute of Management and Information Technology, Pongam, Thrissur. Our students are keen to engage in a collaborative project with your esteemed organization. They are Skilled in assembling, networking, and programming and they aim to deliver a beneficial outcome for your institution.

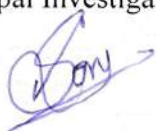

We propose a project focused on computer hardware assembly.

To complete this project, we are seeking funding of Rs. 12,000. We would be happy to provide further details about the project or our institution upon request and are confident that your support will greatly enhance the project's success.

Thank you for considering this proposal. We look forward to the possibility of working together and contributing meaningfully to your organization.

Warm regards,

Dr. Soni P M  
(Principal Investigator)

Whereas, JR Systems and Solutions and Naipunnya Institute of Management and Information Technology shall be hereafter jointly referred to as the "parties" and singularly as a "Party".

The Parties has decided to agree to establish collaboration in the areas of mutual interest and in accordance with the terms and conditions set forth in this MOU, agree on the following activities as:

- Consultancy Service
- Funded Project
- Information Sharing

The MOU will take effect from the date it is signed by the representatives of the parties and it will remain valid for one year and may be continued thereafter with suitable review and arrangement. Either party may terminate the MOU by giving written notice to the other party one month in advance. Once terminated, neither, JR Systems and Solutions, nor Naipunnya Institute of Management and Information Technology will be responsible for any losses, financial or otherwise, with the other party may suffer. However, both parties of this MOU will ensure that all activities in progress are allowed to be completed successful.

This MOU is signed subject to approval of the respective academic/administrative bodies.
