### Report

The Moving Library, an extension activity initiated by the faculty of the P.G. Department of English, managed by NIMIT at Deva Matha Hospital in Koratty stocked the bookstand with a fresh collection of books and magazines on 23.09.2024 based on current affairs and magazines on society and politics. As part of the English Department's community engagement initiative, students accompanied by Coordinator Ms Sabina Leo, visited the hospital. During this outreach activity, student volunteers collected books and magazines from the college library and were eager to be a part of this activity. The students interacted with the people to know more about their taste of books.

The Hospital Administrator and a nurse from the Pharmacy were present as the books and magazines were being carefully arranged on the shelf. The visitors witnessed the interest of the students in promoting reading for the people at their leisure. Hospital authorities and student volunteers restocked the shelf and several photographs were taken to document the same.
