REPORT

The Entrepreneurship Development Club (ED Club) is a platform offered by the PG Department of Commerce for the students to showcase, develop and train themselves as future entrepreneurs. The club offers free membership to all the UG and PG students under the department. Any other students in NIMIT who wish to associate with the club are also free to join the club with the permission of the HOD and the coordinators. The club aims to develop and nourish the entrepreneurial traits of the students and motivate the students to earn while they learn. The major events organized under ED club were the exhibitions, Onam and Christmas fests, Friday markets, workshops, seminars, industrial visits, industry interactions etc. The club hosts events that are beneficial for development of entrepreneurial skills of the community as a whole.
