They were warmly welcomed by the staff and began their visit with a tour of the institution, learning about its operations and the support provided to the children. Following the tour, the students engaged with the children through various activities such as playing games, doing art and crafts, and sharing stories, which brought joy and excitement to everyone involved. Demonstrating their generosity, the students had collected Rs. 1800, which they used to buy sweets that were donated to the institution, a gesture that was deeply appreciated by the staff. This visit not only allowed the students to contribute positively to the children's happiness but also instilled in them the importance of helping others, leaving them with a sense of fulfillment. The college expresses its gratitude to Anandbhavan for their hospitality and to the students for their enthusiastic participation and generosity.
