REPORT

As we stepped into the new year, the Training Department introduced the "Habit of the Month" for January: "Cheers for Peers." This initiative was designed to encourage everyone to take a moment to appreciate and celebrate the incredible friends, colleagues, and peers in our lives.

The response to this initiative was overwhelmingly positive, with everyone actively participating by reciprocating kind words, acknowledging efforts, and uplifting one another. Witnessing such enthusiasm and meaningful connections, we decided to extend "Cheers for Peers" through February, ensuring that more individuals had the opportunity to engage in spreading appreciation and encouragement. Acts of appreciation, whether through simple words, notes, or gestures, have contributed to a stronger sense of belonging and teamwork within the organization.
