REPORT

The students of BSc IT successfully initiated the second outreach program, by visiting Emmanuel Kripa home for mentally challenged women in north Chalakudy, near Vyaasa School. The program was a success as we could bring joy and pleasure to the life of women who were severely traumatized in the past otherwise. We had collected lunch from the students which we ate together. The person-in-charge told us about the challenges that these women had faced which put them in this terrible state. After the lunch, we interacted with them and had lovely time getting to know them. We sang songs and shared their personal stories. We concluded the program at 3.15 p. m. We left the institution with the assurance that we made their day pleasurable. We reached the college at the designated time, making our outreach program successful.
