REPORT

The programme aimed at extending help to the kids of anganvaadi who need necessary toy items and study items in their place. The Anganavadi selected for the programme was Anganvaadi center No.83, Karipala , Karukutty Grama Panchayath..

Students of II Sem BSc Information Technology sponsored one toy which is a teddy ring, little activity books (7), crayons (7 packets), pencils (1 packet) and some sweets to the institution. Students handed over the items to Anganvaadi Teacher Mrs. Mary Antony on 25/06/2024. This initiative gave more happiness to the kids and compensated for the lack of toys and some necessary study items in that institution. The students interacted with the kids and were motivated to play with the toys. It was a memorable day for the kids as well as the students.
