REPORT

As part of the vibrant Onam celebrations, the NIMIT Dance Club successfully organized a Thiruvathira competition, showcasing the rich cultural heritage and traditional dance forms of Kerala. The event aimed to bring together students, foster teamwork, and celebrate the spirit of Onam through lively performances. Teams from both boys and girls participated in the competition, demonstrating their enthusiasm and commitment. Each team took turns to perform their choreographed routines. The performances were marked by vibrant costumes, traditional music, and synchronized movements, captivating the audience. A panel of judges, including faculty members, evaluated the performances based on criteria such as choreography, presentation, and cultural authenticity. The event drew a large crowd, including students, faculty, and family members, creating an enthusiastic atmosphere. The audience actively supported the performers, adding to the celebratory mood of Onam. The Thiruvathira competition was a resounding success, reinforcing the bonds of friendship and cultural appreciation among the NIMIT community. It provided an excellent platform for students to express their artistic talents while celebrating the essence of Onam. The NIMIT Dance Club looks forward to organizing more such events in the future to keep the traditions alive.
