REPORT

To assess academic achievements and examination outcomes, PTWA meetings were held for all second year students on 14th October to 16th October 2024 at Navarang auditorium. The meeting commenced with a prayer led by students. Following this, one of the class teachers extended a warm welcome to all attendees. The meeting was chaired by Rev. Fr. Dr. Paulachan K. J., Principal and Executive Director. He informed the parents about the various facilities provided by the college. The Principal thanked the parents for their support extended towards the college.

The Dean of Studies then addressed the gathering, providing insights into the academic progress of students and outlining the university exam results. His presentation laid the groundwork for an open discussion, encouraging parents to share their concerns and suggestions regarding the academic environment and student welfare. This interactive segment allowed for meaningful dialogue between the parents and the faculty, highlighting areas of strength and opportunities for improvement within the departments.

To conclude the meeting, a vote of thanks was delivered by the class teachers, expressing gratitude to the parents for their participation and support. Following the general meeting, individual class PTA meetings were held, allowing for more focused discussions on specific class issues and academic performance.
