Date of event : 17 October - 19 October 2024

Faculty in –charge : Mr. John Kizhakuden, Ms. Neethu Valsan

REPORT

To analyze the academic performance and examination results, PTWA meetings were held for all first year students on 17th October to 19th October 2024 in Navarang auditorium. The meeting commenced with a prayer led by students. Following this, one of the class teachers extended a warm welcome to all attendees. The meeting was chaired by Rev. Fr. Dr. Paulachan K. J., Principal and Executive Director. The Principal thanked the parents for their support on ensuring a positive learning environment for students.

The Dean of Studies then addressed the gathering, providing insights into the academic progress of students and outlining the university exam results. His presentation laid the groundwork for an open discussion, encouraging parents to share their concerns and suggestions regarding the academic environment and student welfare. This interactive segment allowed for meaningful dialogue between parents and faculty, highlighting areas of strength and opportunities for improvement within the departments. The Head of the Departments discussed the Four Year UG Programme in detail, outlining its structure and objectives. A parent representative from each class was elected to the PTWA executive committee.

To conclude the meeting, a vote of thanks was delivered by the class teachers, expressing gratitude to the parents for their participation and support. Following the general meeting, individual class PTA meetings were held, allowing for more focused discussions on specific class issues and academic performance.
