REPORT

To evaluate academic performances and university examination results, PTWA meetings were held for all final year students on 30th September to 3rd October 2024 in Navarang auditorium. The meeting commenced with a prayer led by students, setting a respectful and focused atmosphere. Following this, one of the class teachers extended a warm welcome to all attendees. The meeting was chaired by the Father Principal, who emphasized the importance of collaboration between parents and the institution to support students' educational journeys. He informed the parents about all the facilities provided to the students by the College in the three years. The Principal thanked the parents for their support extended towards the college in the three years.

The Dean of Studies then addressed the gathering, providing insights into the academic progress of students and outlining the university exam results. His presentation laid the groundwork for an open discussion, encouraging parents to share their concerns and suggestions regarding the academic environment and student welfare. A representative of the parent community shared his happiness with the academic matters of the institution, but expressed his concern about the lack of placements. Dean of studies assured- that a job fair will be conducted before final year students leave the campus. This interactive segment allowed for meaningful dialogue between parents and faculty, highlighting areas of strength and opportunities for improvement within the departments.

To conclude the meeting, a vote of thanks was delivered by the class teacher, expressing gratitude to the parents for their participation and support. Following the general meeting, individual class PTA meetings were held, allowing for more focused discussions on specific class issues and academic performance.
