REPORT

The students of First year BSc IT (2024 Admission) of Naipunnya Institute of Management and Information Technology (NIMIT) conducted an institutional visit to Maria Santhi Bhavan, Meloor as part of the Outreach Activity Programme on 21st February, 2025 focusing on spreading happiness and fostering connections with the elderly people. We arrived at the Old Age home in the morning. The staff welcomed us warmly and introduced us to the residents.

Our students arranged a modest entertainment session that featured performances of several well-known songs. They engaged in meaningful conversations with the residents, fostering the development of empathy and compassion among them. Additionally, we contributed an amount of Rs 2000/- to support the residents. To conclude our visit on a delightful note, we shared fruits with everyone, spreading joy and warmth among the elderly individuals and the staff at the old age home. The experience at Maria Santhi Bhavan was both heartwarming and rewarding for our class and the residents alike. It was clear that our presence and activities brought happiness and a sense of companionship to the elderly. Each student found this experience to be truly unique.
