Faculty In-charge: Ms. Rajani Stanley

REPORT

In the recent times, to engage students and prepare them for the real world, colleges and universities organize College Fests and encourage students to participate and showcase their latent talents. These multiple cultural events, technical fests, celebrity performances, competitions, make students confident and job ready. College fests and activities provide opportunities to interact with their peers and form new connections. Candidates who are multi-tasking, take initiatives to effectively communicate and are enterprising and have better chances of getting hired.

While organizing any event, students stumble upon new people and build their network. Most of these activities are group-oriented by which students get to know people from different cultural backgrounds and interests. These healthy interactions not only enhance interpersonal and communication skills of students but also prepare them for the real world. The department has taken initiative in sending students for the various management fests conducted online and offline by different institutions inside and outside Kerala.

During the academic year 2024-25, almost 250 students participated in 25 Inter-College fests conducted in various colleges across the state. The participants had a great opportunity to grab fabulous prizes, appreciations and outstanding learning experience. Albeit each and every contestant showcased their skills in the best way, a few star performers like Mohammad Rizwan, Edric Laiju, Archana N B and Airin Simi Varghese brought accolades to our institution.
