Circular

The Value-Added program of 30 hours for the UG students of the college for the French language organized by the Naipunnya International will commence on 4th September 2024.

All students are expected to participate in the Value-Added program without fail.

Fr. Dr. Paulachan K.J.

Principal

REPORT

The Department of Additional Languages at NIMIT organized a 30-day Value Added Programme in French for interested students, aimed at enhancing their foreign language skills. The programme officially commenced on 4th September 2024 and classes were held every Monday, Wednesday and Friday. One student from BCA was enrolled for the course. The classes were conducted over a total of 30 hours, ensuring comprehensive coverage of basic French language skills. Ms. Angel Mariam Jose served as the instructor and guided the students through the programme with structured lessons. Attendance was systematically recorded for all sessions. The final class concluded on 14th March 2025, followed by a certificate examination conducted by the faculty on 17th March 2025. After evaluation, certificates were awarded to the student on 20th March 2025, marking the successful completion of the programme and recognizing the student's efforts and achievements.

SYLLABUS

Course Code: NLAFLPF01

Course Title: Foreign Language Programme in French

No. of sessions: 30

Eligibility: Plus 2/ Grade 12

Course Objectives
1.Enhance students' proficiency in the French language, focusing on all four language skills: speaking, listening, reading, and writing.
2. Expand students' vocabulary in French, both in everyday conversational language
3.Refine students' understanding and usage of French grammar, including verb conjugations, sentence structure.
4. Encourage students to express themselves creatively in French, fostering confidence and fluency in their language use.
Course Outcomes
CO1: Students will demonstrate the ability to effectively communicate in the target language, both orally and in writing, across a range of everyday situations and topics.
CO2: Students will develop an understanding and appreciation of the culture(s) associated with the target language
CO3: Students will acquire essential language skills such as listening, speaking, reading, and writing in the target language.
CO4: Students will apply linguistic knowledge and analytical skills to comprehend and solve linguistic challenges encountered in real-world contexts
