The Academic Report of Undergraduate Batches 2022-2025, NIMIT; Pongam.

'Education is the key to unlocking the boundless potential within every individual'

Presenting the academic report for the undergraduate batch of 2022–2025, we are pleased to announce that this is NIMIT's 21st graduating batch and we reaffirm our commitment to using education to serve society. We are pleased with the significant progress that has been made in recent years, particularly with this undergraduate batch of 422 students who would be awarded the programme completion certificate today.

The 2022 Admission students began their academic journey with Nidarsana, on August 31, 2022, followed by induction sessions. With the help of interactive tools and gamified learning platforms, faculty members skillfully combined in-person and virtual learning to create a seamless, blended learning experience through bridge courses and value added courses.

The Choice Based Credit Semester System-UG-2019 regulation serves as the teaching and curriculum framework for these UG batches. With 120 credits total, including specialized courses, the curriculum consisted of common, core, complementary and open courses. The academic program's goals were in line with the ability enhancement courses that UGC has mandated. A total of 16 audit course credits were intended to foster an awareness of gender, the environment, and the institutional and constitutional dimensions of human rights.

Using LINWAYS, the learning management system the students' academic progress was tracked, assignments, seminars, comprehensive viva-voce, and internal examination were all used to assess the students. During the final year of these batches, NIMIT enhanced its commitment to outcome based education aligning it with the National Education Policy inserting into the curriculum ensuring that learning is centered around clear outcomes, equipping students with essential knowledge, skills and competencies for both career success and personal growth. Access to library books and e-library resources were offered. The institution is proud of the fact that the students' research reflects a range of disciplinary viewpoints with a total of 341 projects from this batch of students and 13 publications after presentation at national and international conferences. The final university results for the five semesters that have been released thus far showed how much the students' efforts have paid off.

A total of 18 add on courses, were offered to the batch 2022-25 across departments.

- The PG Department of Commerce, provided students with domain specific choice based courses to enhance their skills, like Digital Marketing, Event Management, Basic Design Concepts, Logistics and Supply Management, Data Analysis using Excel, Diploma in Logistics Accounts Management, Behavioural Finance and Market Psychology and Practical Accounting with Tally Prime with GST.

Even if the preceding three years were prosperous and lush, there were still more pastures that needed to be made. We give thanks to God Almighty for keeping us all safe and secure during this trying time. We would like to formally thank all of our parents, students, mentors, and stakeholders for the outstanding achievements made this academic year. We achieved the remarkable NAAC Grade of A++ as a result of all our efforts.

Our sincere gratitude goes out to our parents for placing their trust in us and staying so supportive during the three years and looking forward for your contained support in all ventures. Our earnest appreciation goes out to our graduating students. This big event marks the end of your academic career. It's like reaching a point in life where you're supposed to be responsible and mature. Only strong routines produce strong culture, you would have agreed well that growth occurs when you break the comfort zone. The time today is the most precious moments for each of you, as you need to get in touch with your teachers, seek blessing and make your path to reach new heights. Dear students, Success starts with a burning desire. Strongly believe in You-You are definitely capable of incredible things. Make excellence your attitude. BEST WISHES!
