REPORT

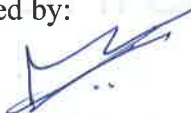

In line with the spirit of Christmas, III Semester BBA students organized an outreach activity to Anandabhavan Orphanage in Mangalassery. This initiative aimed to spread festive cheer and offer support to the children residing at the orphanage by distributing funds to help them enjoy the holiday season. The students wanted to bring joy and create a memorable experience for the children, ensuring the warmth and happiness of the Christmas celebrations. The event was carefully planned and coordinated by the III Semester BBA students. On the day of the event, the group of students traveled to Anandabhavan, located in Mangalassery. Upon arrival, the staff and the children warmly greeted them. The students were introduced to the 'Mother' (the caretaker of the orphanage), who shared the story of the orphanage and the life of the children living there. The Mother expressed immense gratitude for the visit and explained how the funds would assist the children in purchasing essentials, as well as supporting them in celebrating Christmas with joy and happiness. The students interacted with the children, shared their experiences and expressed their best wishes for the holiday season. The fund distribution was a resounding success. The children were extremely happy and the spirit of Christmas was truly felt at Anandabhavan. The outreach activity strengthened the values of empathy, kindness and social responsibility among the students and it also raised awareness of the challenges faced by children in orphanages.
