Report -Awareness Session on Anti-Dowry and Women Empowerment Date: 19 th March 2025 to 24 th March 2025

As part of the one-week awareness programme on "Anti Dowry and Women Empowerment" organized by the Women Cell of Naipunnya Institute of Management and Information Technology, Ms. Joysree Mondal, Head of the Department of Social Work, conducted a series of awareness sessions for various classes on the same theme. The sessions were held from 2.15 p.m. to 3.15 p.m. across four consecutive days. She addressed the Second Year **Day 4**. In each session, she focused on raising awareness about the harmful effects of the dowry system, the importance of legal literacy, and the need to empower women through education, economic independence, and social support. Her sessions were interactive and thought-provoking, encouraging students to reflect critically on gender roles, question traditional practices, and become active participants in creating a more equitable society. The consistent theme helped reinforce key messages and ensured that all student groups received a unified and powerful learning experience.

Objectives of the Programme

- To create awareness among students about the harmful effects of the dowry system.
- To promote legal literacy about anti-dowry laws and women's rights.
- To empower girl students through motivational talks, self-development sessions, and skill training.
- To encourage active participation of students in gender sensitization activities
