CIRCULAR

Subject: Upcoming 15-Day Skill Enrichment Session by Infosys Foundation.

We are pleased to announce that a 15-day Skill Enrichment Session will be organized by the Infosys Foundation for final-year students of the Computer Science, Commerce, and Language Departments. The session will be conducted in the upcoming weeks, with the primary goal of facilitating a smooth transition from campus life to corporate life. The sessions will cover the following key areas such as Understanding the dynamics of effective teamwork in a corporate setting, Adapting to new environments and situations in the workplace, Gaining insights into improving leadership qualities and responsibilities in a corporate context, Learning techniques and strategies to excel in group discussions, with a special emphasis on communication and collaborative skills, Crafting impactful self-introductions for interviews and professional settings.

The sessions will be engaging and informative, with practical exercises designed to help students build confidence and enhance their professional competencies. Students will also have opportunities to apply what they have learned in real-world scenarios, ensuring a seamless transition into the professional world.

We encourage all participating students to make the most of this valuable opportunity.

Fr. Dr. Paulachan K.J.

Principal

REPORT

This report provides an overview of the training sessions conducted to prepare students for their job placements. The program focuses on a mix of essential soft skills, technical expertise, resume crafting, interview preparation, and exposure to industry practices. Its goal is to equip students with the knowledge, skills, and confidence they need to successfully secure employment.

Training Structure:

The training program was organized into several key modules, each focusing on different aspects of professional development:

The Final year students were briefed on Resume Building and LinkedIn Profile Optimization.

The activities covered during the session were as follows:

- Resume building workshops.
- LinkedIn profile review and optimization tips.
- Peer reviews and feedback sessions.

Mock Interviews and Group Discussions

The activities covered during the session were as follows:

- One-on-one mock interviews with industry professionals.
- Group discussion sessions focusing on current events and industry topics.
- Feedback and evaluation sessions to help students enhance their performance.

Soft Skills Development

The activities covered during the session were as follows:

- Training on presentation skills.
- Workshops on verbal and written communication skills.
- Teamwork and leadership development exercises.

Technical Skill Enhancement

The activities covered during the session were as follows:

- Online coding sessions focused on technical interviews.
- Workshops on relevant programming languages and tools.
- Problem-solving exercises and hackathons.

2. Industry Exposure and Guest Lectures

The activities covered during the session were as follows:

- Guest lectures by industry experts on current trends and job market opportunities.

Pongam, Koratty East, Thrissur District, Kerala State, India. Pin-680308.

Phone +91 9605001987, 04802730340, 2730341, 2733573

www.naipunnya.ac.in, mail@naipunnya.ac.in

- Webinars about company recruitment processes, expectations, and culture.
- Company visits (if possible) to give students a first-hand look at the work environment.

3. Personality Development

The activities covered during the session were as follows:

- Personal grooming and etiquette sessions.
- Confidence-building workshops.
- **Stress management techniques and tips.**

The training program played a pivotal role in enhancing students' chances of securing placements by preparing them across all critical areas. While there were some areas for improvement, the overall response from the students was highly positive. The program not only helped students hone their technical skills but also gave them the confidence to face challenging interview situations and adapt to corporate environments. Moving forward, we planned to continue refining the training program, incorporating student feedback, and expanding it to address the ever-evolving demands of the job market.
