REPORT

The Naipunnya Excellence Awards (NEA) 2024-25 was a resounding success, bringing together 210 participants from 14 Higher Secondary Schools. The event began with registrations at 9:30 a.m., followed by the inaugural ceremony at 9:45 a.m. Setting the tone for the day, the program commenced with a solemn prayer. Ms. Sreelakshmi K, Assistant Professor, PG Department of English, delivered the welcome address by extending warm greetings to all the attendees. The ceremony was presided over by Rev. Fr. Dr. Paulachan K J, Executive Director and Principal of NIMIT. The official inauguration was carried out by Rev. Fr. Jeslin Thettayil, Priest of the Archdiocese of Ernakulam-Angamaly, who addressed the gathering with words of encouragement and inspiration. The session concluded with a vote of thanks delivered by Mr. Githin T James, Assistant Professor, PG Department of Commerce.

After a short tea break, participants proceeded to their respective venues for the competitions. The PG Department of English organized two engaging events—Ekphrastic Poetry, which tested students' literary skills through poetic interpretation of visual art, and Imaginative Sequel, where participants crafted creative continuations of well-known fairy tales. The Department of Hotel Management hosted three exciting competitions: Mocktail Preparation, which encouraged innovation in non-alcoholic beverages; Salad Dressing, where students showcased their culinary artistry in presentation; and Flower Arrangement, highlighting their aesthetic sensibilities. The PG Department of Commerce conducted NimitBuzz, an intense business quiz that challenged students' commercial awareness and critical thinking. The PG Department of Computer Science provided a platform for technological innovation through TechExplorica, where participants presented creative ideas in the field of computing. Additionally, the Department of Training organized Dashing Star, a highly anticipated competition aimed at discovering the ultimate performer among the participants.

The valedictory function started at 2:00 p.m., with Mr. Deepak K V, Assistant Professor, PG Department of Computer Science, extending a warm welcome to the gathering. Rev. Fr. Tony Manickathan, Assistant Executive Director of NIMIT, delivered an inspirational address, encouraging students to continue striving for excellence in their respective fields. Dr. Joy Joseph Puthussery, Dean of Studies and IQAC Coordinator, provided concluding remarks, reflecting on the success of the event and the enthusiasm displayed by the participants. Expressing gratitude on behalf of the organizing team, Ms. Annie Sebastian, Assistant Professor, PG Department of English, thanked all students, faculty, and coordinators for their collective efforts in making NEA a grand success. The event concluded with the distribution of certificates, marking the culmination of a day filled with learning, creativity, and spirited competition.

About Naipunnya

Naipunnya Institute of Management and Information Technology (NIMIT) is a NAAC Accredited premier institution affiliated to the University of Calicut. Naipunnya in Sanskrit means dexterity or mastery. NIMIT, as the name signifies, aims at the professionalism, discipline, and holistic development of the aspiring students. As a centre for excellence, we provide a conducive learning environment and caters to the ever-changing needs of the student community.

Objective of the Award

Naipunnya Excellence Award was instituted in February 2020. It is a great platform for students of higher secondary levels to gain experience, showcase their skills, develop their ideas, and uncover their personal aptitude. Apart from challenging the students, we are also rewarding the best school based on the cumulative points in various events conducted.

Competitions

1. Anweshan (Exploring the Unexplored)

Testing the literary skills through Ekphrastic poetry and Imaginative sequels

The PG Department of English is offering a platform to explore a pre-existing work of art by translating the visual content into verbal poetic rhythms through **Ekphrastic poetry**. **Imaginative sequel**, the next contest is designed to unleash the ingenuity to reimagine and reinvent the milieu of an established literary creation with a plausible sequel. The evaluation will be based on the creative skills and the ability to capture the spirit of the material.

2. Meilleur Ouvrier (Hospitality Skill Competitions)

Mocktail Preparation, Salad Making & Flower Arrangement Competition

The Department of Hotel Management has formulated three competitions for the participants to showcase their skills in a few hotel related areas. **Mocktail** competition is focused on participants interested to venture into the Food & Beverage Service department. The **Salad making** competition is for those who find themselves inclined to prepare creative and innovative salads. The **Flower arrangement** competition focuses on students with high creativity, sense of colour and aesthetics. These competitions would help students to explore their hidden talents and compete and interact with like-minded participants.

3. Nimitbuzz (Business Quiz Contest)

Be Knowledgeable, Be Competitive

The PG Department of Commerce presents the NIMITBUZZ—Business Quiz competition to evaluate the basic knowledge of the participants in the fields of commerce, accounting, business, and management. It enhances the ability of the student community to become familiar with current happenings in their respective disciplines. The competition will check the level of understanding of students in business concepts, basic accounting, management terminologies, and other subject-related areas; this will enhance their knowledge and competitive spirit.

4. Tech-Explorica (Explore, Exhibit and Execute)

Explore, Exhibit and Execute Technical Skills

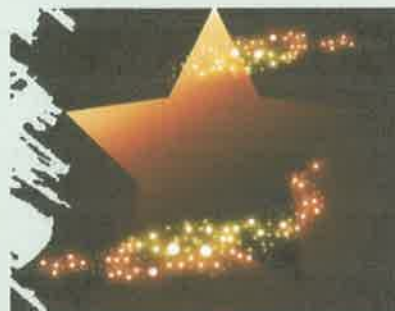

Tech-Explorica organized by the PG Department of Computer Science focuses on generating technical and commercially viable solutions through scientific research endeavors from students that can become spin-off start-ups or companies. It is important that the solution or idea emanates from self-developed innovation and creativity. The submitted ideas should offer sustainable solutions to real-world challenges and satisfy market needs.

5. Dashing Star (Step Up and Shine)

Organised by the Training Department

Step into the spotlight and seize the opportunity to become the ultimate performer, 'The Dashing Star'. This competition is a chance to develop and demonstrate students' knowledge and skill-sets. The competition will evaluate students' writing and communication skills, and will also include puzzle-solving and a quiz, thus bringing out the fullest of their potential.

General instructions

- Schools should try and participate in all the events, to win the overall prize.
- Students should carry their school ID cards.
- Registration form will be available in Google Form (Link: <https://forms.gle/NPxVwusC1LzXSb1QA>)
- Each school can have one faculty coordinator and his/her number shall be shared along with the registration form.
- All participants will be given certificates of participation.
