REPORT

This report outlines the Advance Catering & COVID with a special focus, conducted for second year students. The purpose of this training was to enhance the knowledge and skills of catering staff in food safety practices, ensuring the production of safe and high-quality. The training covered various aspects of food safety, including hygiene, cross-contamination prevention, temperature control, and record-keeping.

Training Objectives

The primary objectives Training were as follows:

1. To educate staff about the importance of food safety.
2. To provide comprehensive knowledge about foodborne hazards and risk mitigation.
3. To train on proper food handling, storage, and preparation techniques.
4. To ensure compliance with relevant food safety regulations.

Training Methods:

The training was conducted through a combination of presentations, discussions, and hands-on exercises. Interactive sessions allowed students to ask questions and clarify doubts, promoting a better understanding of the material

Conclusion:

The Training was successful in achieving its objectives. It has equipped students with essential knowledge and skills to maintain a safe and hygienic environment, reducing the risk of foodborne illnesses and ensuring compliance with food safety regulations.
