Report of Outreach Programme

Interacting with vulnerable people can provide several valuable learning experiences for other students. Differently-abled students often demonstrate resilience and determination in the face of obstacles. Observing this can inspire other students to develop their own resilience.

As part of the Outreach Activity for the academic year 2024-25, the institution allotted by the college to I Semester B.Sc.-HMCS-B batch was Ashabhavan, Annamanada.

Accordingly, the students visited the Institution on 27-11-2024 and extended a financial support for the inmates. Interactions with homeless and differently-abled people was a learning experience for the students which enhances personal growth, fostering a more well-rounded, compassionate, and open-minded outlook towards the society at large.
