REPORT OF OUTREACH PROGRAMME

Interacting with vulnerable people can provide several valuable learning experiences for other students. Differently abled students often demonstrate resilience and determination in the face of obstacles. Observing this can inspire other students to develop their own resilience.

As part of Outreach Activity for the academic year 2024-25, the institution allotted by the college to II Semester BHA was Echo-Jeevana Bala Bavan, Mekkadu.

Accordingly, the students visited the Institution on 31-01-2025 and handed over cash to the inmates. Interaction with homeless and differently abled people was a learning experience for the students which enhanced personal growth, fostered a more well-rounded, compassionate, and open-minded outlook among the students.
