REPORT OF OUTREACH PROGRAMME

Interacting with vulnerable people can provide several valuable learning experiences for other students. Differently abled students often demonstrate resilience and determination in the face of obstacles. Observing this can inspire other students to develop their own resilience.

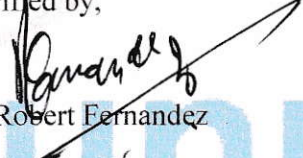

As part of the Outreach Activity for the academic year 2024-25, the institution allotted by the college to II Semester B.Sc-HMCS-B batch was Madona Special School -Potta.

Accordingly, the students visited the Institution on 03-03-2025 and extended a financial support for the inmates. Interactions with homeless and differently abled people was a learning experience for the students which enhanced personal growth, fostering a more well-rounded, compassionate, and open-minded outlook.
