REPORT

Four students from our institution participated in the **Junior National Korfball Championship**, a prestigious **National Level Competition** held at Amenity Public School, Rudrapur, located in Rudrapur. The championship took place from **29 December 2024 to 01 January 2025** and brought together talented junior korfball players from various states across India.

Our students represented the institution with outstanding dedication, teamwork, and determination throughout the tournament. The competition was highly challenging, with teams displaying excellent coordination, strategy, and sportsmanship. Participating in such a national-level event provided our players with valuable exposure and experience in high-level competition.

The most remarkable achievement of the tournament was that all **four students secured Gold Medals**, bringing great pride and honor to the institution. Winning gold at the national level is a significant accomplishment and reflects the hard work, commitment, and consistent training of our students. Their success highlights the growing strength of korfball in our institution and the excellent guidance provided by the Department of Physical Education.

Participation in the Junior National Korfball Championship also helped the players enhance their confidence, improve their technical skills, and develop a strong competitive spirit. Events like these play an important role in motivating students to strive for excellence in sports and represent the institution at higher levels.
