## REPORT

### **Kerala State Junior Netball Championship Report**

Five students from our institution participated in the Kerala State Junior Netball Championship, a prestigious State Level Competition held at Palakkad on 03 August 2024. The championship brought together talented junior netball players from different districts and institutions across Kerala, providing a valuable platform for young athletes to demonstrate their skills and competitive spirit.

Our students represented the institution with great dedication, enthusiasm, and teamwork throughout the competition. The event was highly competitive, with teams displaying excellent coordination, strategy, and sportsmanship. Participating in such state-level tournaments helps students gain exposure, improve their technical abilities, and develop confidence in their performance.

Among the five participants from our college, one student achieved a notable success by securing a Silver Medal in the championship. This accomplishment is a proud moment for our institution and reflects the hard work, regular training, and determination of the student. Winning a medal at the state level is a significant achievement and highlights the growing standard of sports in our college.

Participation in events like the Kerala State Junior Netball Championship not only enhances the athletic abilities of students but also helps them build leadership qualities, discipline, and a strong team spirit. It motivates other students to actively engage in sports and strive for excellence in various competitions at higher levels.
