REPORT

Ten students from our institution participated in the **Kerala State Senior Fast Five Netball Championship**, a prestigious **State Level Competition** held at Angamaly on **17 February 2025**. The championship brought together skilled netball players from various districts and institutions across the state, creating a highly competitive environment for athletes to showcase their talent and teamwork.

Our students represented the college with great dedication, enthusiasm, and strong team spirit throughout the competition. The matches were intense and required excellent coordination, quick decision-making, and effective strategies, as Fast Five Netball is a dynamic and fast-paced version of the traditional game. Participating in such tournaments provides valuable exposure to players and helps them improve their performance at higher levels of competition.

The performance of our students in the championship was outstanding. Among the ten participants, **three students secured Gold Medals** and **two students won Silver Medals**, bringing great pride and recognition to the institution. Their remarkable achievement reflects the hard work, discipline, and continuous training they have undergone under the guidance of the Department of Physical Education.

Winning multiple medals at the state level is a significant accomplishment and highlights the growing excellence of our institution in netball. The success of our players also motivates other students to actively participate in sports and strive for higher achievements in state and national-level competitions.
