REPORT

Three students from our institution participated in the **Senior National Mixed Netball Championship**, a prestigious **National Level Competition** held at Koramangala from **30 September 2024 to 02 October 2024**. The championship witnessed the participation of talented netball players from various states across the country, making it a highly competitive and significant sporting event.

Our students represented the institution with great enthusiasm, dedication, and team spirit. Competing at the national level provided them with an excellent opportunity to showcase their skills, improve their game strategies, and gain valuable exposure to high-level competition. The matches were intense and challenging, allowing the participants to learn new techniques and strengthen their performance in mixed netball events.

Participation in such national-level championships plays an important role in the overall development of athletes. It enhances their confidence, discipline, and ability to compete under pressure. The experience gained from this tournament will help our students perform even better in future competitions and contribute to the growth of netball within the institution.

The Department of Physical Education appreciates the efforts and commitment shown by the three students who proudly represented the college at this national championship. Their participation has brought recognition to the institution and motivated other students to actively engage in sports and strive for higher achievements.
