REPORT

The Basketball (Men) 3×3 Interzone Championship was organized by SCAS, Kodakara on 23 January 2026. The championship brought together talented basketball players from various colleges to compete in the fast-paced and exciting 3×3 format of the game. Our college participated in the tournament with a team of four players who represented the institution with enthusiasm, determination, and strong team spirit.

The 3×3 format of basketball is known for its speed, quick decision-making, and high level of energy. The matches were played with great intensity, requiring players to demonstrate excellent coordination, skill, and teamwork. Our players showed good understanding of the game and worked together effectively on the court. Their communication, passing, and defensive efforts were commendable throughout the competition.

Despite the challenging competition from other colleges, our team performed with confidence and maintained a positive sporting spirit. The players made every effort to create scoring opportunities and defend against strong opponents. The experience of competing at the interzone level helped them understand the importance of strategy, physical fitness, and teamwork in the 3×3 format.

Participating in this championship provided valuable exposure to our players and helped them enhance their skills and confidence. It also gave them an opportunity to interact with players from other colleges and learn from the competitive environment. Such tournaments play an important role in developing the overall performance and sportsmanship of students.

The event was well organized by the host institution, and the arrangements made for the participants were appreciable. The championship promoted healthy competition and encouraged students to actively participate in sports activities.

Overall, the Basketball (Men) 3×3 Interzone Championship held at SCAS, Kodakara, was a memorable experience for our team. The participation of four players reflected the commitment and passion of our

students toward basketball. The experience gained from this event will help the team perform even better in future competitions.
