Fr. Dr. Paulachan K.J
(Principal)

REPORT

The Football (Men) Championship was successfully conducted at Christ College on 15th October 2025 as part of the D-Zone Intercollegiate Sports Championship. Our institution proudly participated in the tournament with a team of 19 dedicated players who represented the college with great enthusiasm, discipline, and sportsmanship. The championship brought together several colleges from the D-Zone, creating a competitive and energetic atmosphere. The matches were organized in a systematic manner, ensuring fair play and providing a platform for young footballers to showcase their skills and teamwork. Our team arrived at the venue well prepared and motivated to perform their best in the tournament.

In the first match, our team faced a strong opponent from another participating college. From the very beginning of the match, our players displayed excellent coordination, determination, and tactical play. The defenders worked hard to stop the attacking moves of the opponents, while the midfielders effectively controlled the game by creating opportunities for the forwards. Although the opposing team put up a tough challenge, our players maintained a positive spirit and gave their maximum effort throughout the match. The game was intense and competitive, providing valuable exposure and experience for the players.

The second match was equally challenging and exciting. Our team entered the field with confidence and a strong determination to improve their performance. The players demonstrated good teamwork, communication, and discipline on the field. The goalkeeper made several impressive saves, and the defenders played a crucial role in protecting the goal. The midfielders supported both defence and attack, while the forwards tried to create scoring opportunities. The match was played with great enthusiasm, and both teams displayed commendable sportsmanship.

Participating in two matches during the championship provided our players with an excellent opportunity to gain competitive experience and improve their game skills. The tournament helped the players understand the importance of strategy, teamwork, and physical fitness in football. It also allowed them to interact with players from other colleges, which contributed to their overall sporting development. The event was well organized by the host institution, and the arrangements made for the participating teams

were appreciable. The championship not only promoted sportsmanship but also encouraged students to actively engage in sports and physical activities.
