Fr. Dr. Paulachan K.J
(Principal)

REPORT

The Kalaripayattu Interzone Championship was held at Government College of Physical Education, Kozhikode on 23rd January, 2026. The championship brought together skilled participants from various colleges to compete and demonstrate their talent in the traditional martial art of Kalaripayattu. Our institution proudly participated in the event with one player who represented the college with dedication and enthusiasm.

Kalaripayattu, being one of the oldest martial arts of Kerala, requires great discipline, flexibility, strength, and concentration. The championship provided an excellent platform for participants to showcase their techniques, agility, and mastery of movements. Our player performed confidently and demonstrated good control, balance, and skill during the competition.

Competing at the interzone level was a valuable experience for the participant. The event was highly competitive, with players displaying remarkable performances and traditional techniques. Despite the tough competition, our player performed well and secured the 6th position in the championship, which is a commendable achievement.

The participation in this championship helped the player gain exposure and experience at a higher competitive level. It also encouraged the participant to improve further and continue practicing the art with greater determination. The event promoted sportsmanship, cultural heritage, and physical fitness among the participants.

The championship was successfully organized by the Government College of Physical Education, Kozhikode, and the arrangements made for the participants were well managed. Such events play an important role in preserving traditional martial arts and encouraging students to actively participate in them.

Overall, the Kalaripayattu Interzone Championship was a proud and memorable moment for our institution. The participation of our player and securing the 6th position reflects dedication, hard work,

and commitment. The experience gained from this event will motivate the participant to achieve even better results in future competitions.
