Fr. Dr. Paulachan K.J
(Principal)

REPORT

One player from our institution participated in the Karate (Men & Women) Interzone Competition, which was organized by Sree Krishna College, Guruvayur on 25th and 26th February, 2026. The competition brought together skilled karate players from different colleges across the interzone level, providing an excellent opportunity for athletes to demonstrate their martial arts skills and competitive spirit.

Our student represented the institution with great enthusiasm and dedication. Participating in such a prestigious interzone-level event allowed the player to gain valuable experience and exposure to higher levels of competition. The tournament featured various karate events and showcased the discipline, strength, and technical abilities of the participants.

Throughout the competition, the participant displayed commendable determination, focus, and sportsmanship. Events like these play an important role in developing confidence and improving performance in martial arts. They also help students interact with players from other institutions, learn new techniques, and enhance their overall understanding of the sport.

The Department of Physical Education appreciates the efforts and commitment shown by the student in representing the college at the interzone level. Participation in such competitions contributes significantly to the growth of sports culture within the institution and encourages more students to take part in martial arts and other sporting activities.
