REPORT

The Volleyball (Women) Interzone Championship was organized by St. Joseph's College, Irinjalakuda from 15 November 2025 to 16 November 2025. The championship brought together talented women volleyball players from various colleges, providing a great platform to showcase their skills, teamwork, and sportsmanship. Our college participated in the tournament with a team of 13 players who represented the institution with dedication and enthusiasm.

The event was conducted in a well-organized and competitive environment, attracting many teams from different zones. Our players were well prepared and motivated to compete at the interzone level. Throughout the championship, the team demonstrated excellent coordination, communication, and determination on the court.

During the matches, our players showed great effort in both attack and defense. The setters played an important role in organizing the game, while the spikers tried to score crucial points for the team. The defenders and libero also contributed significantly by saving difficult balls and maintaining the flow of the game. Each player performed their role responsibly, reflecting strong team spirit and discipline.

Participating in the Interzone Championship helped our players gain valuable experience and exposure at a higher level of competition. It also helped them improve their confidence, game strategies, and overall performance. The tournament provided an opportunity for the players to interact with participants from other colleges and learn new techniques and playing styles. The championship was successfully organized, and the arrangements made by the host institution were commendable. The event promoted sportsmanship and encouraged students to actively participate in sports activities.

Overall, the Volleyball (Women) Interzone Championship was a memorable experience for our team. The participation of 13 players highlighted the commitment and passion of our students toward volleyball, and the experience gained will help them perform better in future competitions.
