Academic Report of the Post Graduate Batches: 2023-25

“Life is like a coin. You can spend it anyway you wish!

But you can only spend it once.

Your time is your currency, Invest it Wisely!

Your behaviour is your legacy, Don't let others drag it down”

It is with immense pride and joy that I present the Academic Report of the postgraduate programmes of the 2023–2025 batches at Naipunnnya. This programme completion ceremony marks not only a milestone in the life of our institution but more importantly a celebration of the hard work, dedication, and achievements of our students.

The MBA programme is a flagship professional course of Naipunnnya Business School. The 2023–2025 batch began their journey with Vihaan inauguration and a two-week bridge course to accustom themselves to management studies. Over the course of four semesters, they accomplished more than 60 assignments, 30 seminars, 13 mini-projects, and nearly 140 quizzes under 29 courses. They also successfully completed internships and project work in reputed organizations and gained additional skills through training programs in MS Excel, Business Analytics, Employability Skills, and Digital Marketing.

I am delighted to note that most of our MBA students are now placed with prestigious companies such as HDFC Life, Geojit Financial Services, Popular Motor World, PlanetSpark, and other reputed firms. Beyond academics, they excelled in management fests, sports, and national-level conferences, bringing honour to our institution. Their commitment to service was evident through initiatives like Hastham, a community development programme, and their association with Goonj for rural upliftment. They leave behind a legacy of responsibility, leadership, and strong values.

The Master of Commerce in Finance is a four-semester programme designed to impart advanced skills in commerce and finance. The 2023 admission batch consisted of 4 highly talented students who have excelled both in academics and extra-curricular. They attended multidisciplinary sessions and participated in international conferences, showcasing their research potential on a global stage. Students also enhanced their analytical skills by attending a specialised SPSS workshop.

Their sporting spirit was equally commendable. Our students represented the college in various inter-collegiate competitions, securing top positions in Netball, Korfball, and Basketball. In addition, an industrial visit to Tollins Tyres allowed them to apply theory in practice. With an average academic result of 90% across four semesters, this batch has truly set a benchmark of excellence. One of them has completed the US Taxation Course and is placed with Bindz Consulting Pvt. Ltd., awaiting the offer letter, while the others are pursuing the course to follow the same path.

The Master of Arts in English programme is known for its intellectual depth and cultural vibrancy. The 2023–25 batch comprised 2 students who consistently showcased commendable performance, achieving an average of 88% across four semesters. These students were actively engaged in research, publishing papers in peer-reviewed journals and presenting at prominent national and international conferences. Their dissertations explored areas ranging from diasporic studies to gothic literature.

In addition to their academic pursuits, they brought honours to the institution through active participation in cultural activities, winning prizes in creative writing, elocution, and literary events. The programme continues to contribute significantly to fostering advanced scholarship and preparing students for teaching, research, and diverse career paths. Both our student aspires to be in the teaching profession.

Dear graduates, today we celebrate you—not just for your titles and degrees, but for the learning, values and experiences you carry forward. You stand as living examples of Naipunnya's mission: to blend academic excellence with skill, ethics, and social responsibility. Please remember: Wisdom is applying knowledge with insight. Pride Rejects. Wisdom Absorbs. Discipline builds respect. And respect builds freedom. Freedom begins where people pleasing ends. Understand well that, Mistakes don't define you. They refine you. Consistency Compounds...Hence Keep Going! You would eventually realise that struggles are a part of the blessing.

Very sincerely holding all of you in our prayers and wishing you each one a fabulous future ahead!

Gratitude turns endings into meaningful memories and thus on behalf of the institution, I extend heartfelt gratitude to the management, faculty, staff, parents, and all stakeholders for their steady support in this journey. As we witness the graduation of these accomplished students, we look forward with confidence to the wonderful contributions they will make in their professions and in society.

Thank you and may this ceremony inspire us all to continue striving for excellence.

FEEDBACK

Student's Feedback

"The Indictio & Aarohan 2025 ceremony was a truly memorable experience for me and my classmates. The event was well-organized, and the speeches, especially the keynote by Mr. Mohanachandran, were very inspiring. It felt rewarding to be recognized for our hard work and to see our achievements celebrated in front of faculty, parents, and peers. Overall, the event gave us a sense of accomplishment and pride in being part of Naipunnya Business School."

Parent's Feedback

"As a parent, attending the Indictio & Aarohan 2025 ceremony was an emotional and proud moment. Seeing my child receive the certificate and listening to the motivating speeches reassured me of the quality education and guidance provided by the institution. The professionalism and warmth with which the event was conducted reflected the school's commitment to nurturing students not only academically but also morally and socially. I am grateful to the entire faculty and administration for organizing such a meaningful event. As a suggestion that it would have been much more effective if it was conducted in a larger venue."
