REPORT

Moving Library

On 19th September 2025, the Moving Library initiative managed by NIMIT visited Deva Matha Hospital, Koratty. During the visit, the Library Stand at the hospital was refurbished with a renewed and diverse collection of reading materials. The updated stock included books, periodicals, general magazines, sports magazines, children's magazines and a selection of reflective works by renowned writers.

As part of the community engagement programme of the Department of Languages, the initiative was coordinated by Ms Rejitha K. Ravi and Dr Veena Vijaya, with the active participation of final-year BA English students, Ms Devananda and Ms Alphy. The visit offered the students a meaningful and hands-on experience as they helped reorganise, arrange and stock the new reading materials. The books had been collected from the institutional library as well as from residents in their local neighbourhoods.

The efforts of the students were observed and appreciated by the Hospital Administrator, a staff member from the pharmacy and several visitors at the hospital. The initiative aimed to promote the habit of reading among patients and visitors while encouraging them to take a break from excessive mobile phone use. Overall, the programme proved to be a valuable learning experience for the students and a positive contribution to the hospital community.
