REPORT

In association with FHC Nalukettu, the NSS unit of the college organised an impactful Eye Donation Awareness Campaign and Agreement Handover Programme on 29 August 2024. The event aimed to sensitise students and faculty to the pressing need for eye donation and the life-changing impact it can have on those suffering from corneal blindness. Volunteers and attendees were educated through expert talks and informative sessions about the significance of eye donation, the procedures involved, and how a single act of donation can restore vision and transform lives.

A major highlight of the event was the enthusiastic response from NSS volunteers, with 50 of them coming forward to pledge their eyes by signing official eye donation agreements. This noble gesture reflected the growing awareness and sense of social responsibility among the youth.

Additionally, a free eye screening test was conducted for both students and staff members, helping in the early detection of potential vision-related issues and promoting overall eye health. The initiative was well-received and inspired many others to consider eye donation as a meaningful way to contribute to society. The campaign stood as a shining example of community engagement and compassion, emphasising the message that "Giving sight is giving life."
