Fr. Dr. Paulachan K.J

(Principal)

REPORT

On 4th September 2024, a dedicated group of NSS (National Service Scheme) volunteers embarked on a cleaning and beautification drive at the Mudapuzha Check Dam. The event was inaugurated by Mrs. Paulcy Geo, the Ward Member, who emphasized the importance of community involvement in preserving local water bodies. The main objective of the initiative was to remove the accumulated waste around the dam, restore its natural beauty, and raise awareness about the vital role of such water bodies in environmental sustainability.

Volunteers worked tirelessly throughout the day, cleaning the surrounding areas, collecting trash, and planting saplings to enhance the ecological balance of the region. Their efforts not only improved the aesthetic appeal of the dam but also contributed to its long-term health. An important segment of the event was the awareness session, where experts highlighted the significance of preserving water bodies for biodiversity, water conservation, and flood prevention.

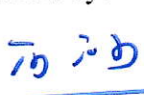

Local residents were appreciative of the effort, as it helped create a cleaner, greener environment. The initiative also provided the students with a unique opportunity to gain hands-on experience in eco-restoration activities, equipping them with practical skills and knowledge in environmental conservation. The day ended with a sense of fulfillment and the hope that such efforts would inspire more community-driven environmental actions.
